Prompt Purpose	Summary of AI Response	Team Decision/Revision
Validate Charter Scope: "Based on our project charter for the FAMU Mentorship Bridge, is the scope realistic for a 1-semester student project?"	AI confirmed the scope is realistic but warned that "Alumni Recruitment" is a high-risk bottleneck that could delay the schedule.	**Accepted:** We added "Alumni Engagement/Availability" as a High Priority risk in the Project Charter and defined "Long-term matching" as out-of-scope.
Descriptive Language Refinement: "Suggest a more professional and descriptive term than 'hidden curriculum' for the Business Narrative."	AI suggested "Institutional Knowledge" or "Informal Professional Playbooks" to describe the unwritten rules of success.	**Revised:** We updated the Business Narrative to use "**institutional knowledge**," which better fits the professional tone of a business case
